

Orange

Fluffy Stuff

Ingredients

1 carton cottage cheese • 1 box orange gelatin
1 carton whipped topping, thawed

1 large can mandarin oranges, drained • 1 large can crushed pineapple, drained

Method

- Mix the cottage cheese, gelatin, and whipped topping in a large mixing bowl until the gelatin is mixed in.
- Stir in the crushed pineapple and mandarin oranges until the mixture is well blended.
- Refrigerate at least 45 minutes - 1 hour before serving.

Notes

Feel free to substitute other gelatin & fruit combinations
in lieu of the orange!

Strawberry and raspberry are mighty tasty, too!
